Remember, all profits from Killie Lotto will be used to fund KFC Youth Football, our 'Stars of the Future'.

Youth Development Programme (Under 23)

Profits from the Killie Lotto will all be directed towards the Kilmarnock F.C. Youth Development Programme. For clubs like Kilmarnock it is essential that young players are developed from an early age, being involved with the club at every level from U-12's to youth, reserve and, hopefully, the first team. We have been fortunate at Kilmarnock over the last few years that many of our young players, such as Kris Boyd, Peter Canero, James Fowler, Garry Hay, Gary McDonald, Steven Murray and Steven Naismith, have developed to the extent of being drafted into the various national squads. Much of the credit for the development of these players goes to the club's established Youth Set up. To continue to fund such professional coaching requires financial support and we hope that by playing and supporting the new Killie Lotto, the club will have the opportunity to ensure the continued success of our young players for years to come. By playing Killie Lotto we can all be winners.
